Verse

D G A

Where is the moment when needed the most

D G A

You kick up the leaves and the magic is lost

Bm D G D

Tell me your blue skies fade to grey Tell me your passion's gone away

Em A

And I don't need no carrying on

D G A

You stand in the line just to hit a new low
You're faking a smile with the coffee to go.

You tell me your life's been way off line. You're falling to pieces every time. And I don't need no carrying on. Cause you had a bad

Chorus

You're taking one down. You sing a sad song just to turn it around. You say you don't know. You tell me don't lie. You work at a smile and you go for a ride. You had a bad day. The camera don't lie. You're coming back down and you really don't mind. You had a bad
You had a bad day

Well you need a blue sky hol-i-

The point is they laugh at what you say And I don't need no carry-ing

You had a bad day (oh. holiday)

Sometimes the system goes on the brink and the whole thing turns out wrong You
might not make it back and you know that you could be well all that strong— And I'm not wrong

Where is the passion when you need it the most— Oh you and I

You kick up the leaves and the magic is lost— 'Cause you had a bad day You've seen what you like And how does it feel for one more time You had a bad day
