So lately
You're wondering

Who will be there to take my place
When I'm gone

You'll need love to light the shadows on your face
there who can bring me back to you
If I could
then I would
I'll go where you will go
Way up high or down low I'll go where you will go
Run away with my heart
Run away with my hope
Run away with my love

I know now Just quite how My life and love

might still go on In your heart In your mind

I’ll stay with you for all of time If I could

Then I would I’ll go where - e - ver you will go
I'll go where ever you will go
If I could
make you mine
I'll go where ever you will go
I'll go where ever you will go
If I could

every you will go
