Moderately

Come stop your crying; it will be all right.

Just take my hand, hold it tight. I will protect you from

all around you. I will be here; don’t you cry.

For one so small you seem so strong.
Why can't they understand the way we feel?
My arms will hold you, keep you safe and warm.
They just don't trust what they can't explain.

This bond between us can't be broken.
I know we're different, but deep inside us

I will be here; don't you cry.
we're not that different at all.

And
Absus2/F  Fm7  Cm7

have, got to hold on.

They'll see in time,

I know.

We'll show them together, 'cause

you'll be in my heart.

Believe me,
you'll be in my heart. I'll be there from this day on, now and forevermore.

You'll be in my heart. (You'll be here in my heart) no matter what they
always and always.

Just look over your shoulder.

Just look over your shoulder;

I'll be there always.
